

# SocialNote App Privacy Policy

Updated March 5, 2024

Thank you for using SocialNote! Your privacy is important to us. This Privacy Policy explains how we collect, use, and protect information about you when you use our mobile application ("SocialNote").

## **Information We Collect:**

SocialNote does not collect any personal information about you. We do not require you to create an account or provide any personal details in order to use the app. However, we may collect non-personal information such as the content of the notes you create and share, device information, and usage data for the purpose of improving the app and providing better services to our users.

## **Use of Information:**

We use the information collected solely for the purpose of operating, maintaining, and improving SocialNote. This includes analyzing usage trends, troubleshooting technical issues, and enhancing the user experience. We do not sell, rent, or share any information collected through the app with third parties.

## **Data Security:**

We take reasonable measures to protect the information collected through SocialNote from unauthorized access, disclosure, alteration, or destruction. However, please note that no method of transmission over the internet or electronic storage is 100% secure, and we cannot guarantee absolute security.

## **Children's Privacy:**

SocialNote is not intended for use by children under the age of 13. We do not knowingly collect any personal information from children under 13. If you are a parent or guardian and become aware that your child has provided us with personal information, please contact us so that we can take appropriate action.

## **Changes to this Privacy Policy:**

We reserve the right to update or modify this Privacy Policy at any time. Any changes will be effective immediately upon posting the revised Privacy Policy on this page. We encourage you to review this Privacy Policy periodically for any updates.
